

**DRAFT MINUTES**

PZC Subcommittee on Infrastructure, Twelfth Meeting  
Beck Municipal Building, Room C  
Storrs-Mansfield, CT  
Thursday, June 27, 2013

Present: Alex Marcellino (Chairman), Kay Holt, Peter Plante, Ken Rawn

**Call to Order:**

Chairman Marcellino called the meeting to order at 1:05 p.m.

**Minutes:**

6/19/13 Regular Meeting – Plante MOVED, Holt seconded, to approve minutes as presented. MOTION PASSED unanimously.

**Additions/Changes to the Agenda:** None.

**Old Business:**

The committee reviewed the matrix that we had worked on over the last few meetings. This matrix, as printed for us by the chairman, features eleven proposed sidewalk projects that best fit our five criteria: 1) areas zoned for high density, 2) areas of high pedestrian use, 3) interconnections between existing sidewalk systems, 4) access to Town/State facilities, and 5) connections to transit facilities. After making a few final changes to the matrix, we then planned our presentation to the PZC for the July 1<sup>st</sup> meeting. We hope the PZC will approve the matrix of proposed sidewalk projects and will forward it to the Town Council for further approval. Ultimately, we hope to have the matrix become a component of the upcoming Plan of Conservation and Development (POCD). It is important that the matrix should be continually updated as new needs arise and as proposed projects are built.

**Next Meeting:**

The committee decided there was no need for another meeting until after our presentation to the PZC, therefore, the chairman did not set a meeting date.

**Field Trip:** None.

**Adjournment:**

The meeting was adjourned at 2:00 p.m.

Respectfully submitted,

Katherine Holt, Secretary
